

International Journal of Theology, Philosophy and Science (IJTPS). Open Access Policy

Articles published in International Journal of Theology, Philosophy and Science (IJTPS) will be distributed under the terms and conditions of the Author's Contract.

International Journal of Theology, Philosophy and Science (IJTPS) provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge, meaning:

- everyone has free and unlimited access to the full-text of articles published in Journal;
- papers are immediately released in open access format
- Most often Open Access publication is supported by authors' by payment of a comparatively low for accepted articles.

Advantages of Open Access for Authors

- High Visibility and High Availability - free and unlimited accessibility of the publication over the internet without any restrictions.
- Open Access publications are more frequently cited due to their high publicity and availability.
- Publications are also more easily searchable in search engines and indexing databases.
- Rapid Publication - accepted papers are immediately published online.
